# A Cheaper Alternative to the Box\*

Use your Refills to make your Big Grip® buckets pay off again and again. Every time you refill your bucket you disperse the initial cost of the bucket and create big, big savings!

Compare the dry protection of a Big Grip® bucket to the soggy mess of a wet box.

## Sellars reusable Big Grip® buckets vs. boxes

Big Grip® buckets are not only an easy-to-carry dispenser, they're built to stand up to even the toughest work environments. Unlike boxes, Sellars® Big Grip® buckets can be left outside, sprayed or drenched. Now try all of this with a box – no dice. It's dry, protected towels with refill savings versus a dented, soggy mess. Sellars® reusable Big Grip® buckets stand up to punishment (and scrutiny) like no paper container ever could. They protect your towels while increasing shelf life by protecting against dust and dampness.

## REFILL SAVINGS!

Adding Refills is as Easy as 1-2-3
